Post Graduate Update in Clinical Cardiology 2010

19th to 21st March 2010

*TICEL BIO-PARK
Taramani, Chennai*

In continuation of Frontier Lifeline's strong academic tradition, we are pleased to announce the 5th PG Update in Clinical Cardiology in March 2010.

Frontier Lifeline and the Dr. K.M. Cherian Heart Foundation is an International Centre for Cardiology and Cardiothoracic Surgery, established in 2004 by Dr. K. M. Cherian, a world-renowned pioneer in cardiac surgery, in Chennai. Within a short span of time, this institute has gained worldwide recognition for timely treatment of cardiac diseases

As a 120-bedded super specialty hospital, it is fully equipped with state-of-the-art facilities supported by highly qualified and experienced specialists and staff. It is also a reputable teaching hospital recognized by the National Board of Examinations, New Delhi for training postgraduate students in DNB Cardiology, Cardiothoracic Surgery, Anaesthesia and Pediatric Cardiology. PhD courses in Cardiac Sciences, Cardiothoracic Surgery and Cardiology in collaboration with Meenakshi University, Chennai, and the PG Diploma course in Community Cardiology, in collaboration with IGNOU, are some of the other courses that are conducted at Frontier Lifeline.

It is our great pleasure to inform you that Dr K M Cherian, President, 20th WSCTS World Congress is hosting 20th World Congress of the World Society of Cardio Thoracic Surgeons in 2010 at Frontier Mediville, Chennai. The scientific interactions have been designed where importance has been given for everyone involved in the practice of cardiac sciences, from the basic level to the use of the most sophisticated technology.

We are also very fortunate to host the 6th Global Forum on Humanitarian Medicine in Cardiology and Cardiac Surgery which will be held outside Geneva for the first time.

Well attended academic Conclaves and Workshops with National and International Faculty and Delegates, have been frequently conducted since inception. This trend has established Frontier Lifeline as a world class scientific and academic institute.

PG Update programs conducted over the past 3 years, were well attended and highly appreciated by DNB and DM Cardiology Postgraduate students. The depth of knowledge disseminated by the experienced faculty, whose participation contributed invaluable to the academic caliber of the program, has vastly benefited these students.

With the aim to regularly provide top class continuous medical education for the benefit of postgraduate DNB / DM cardiology students, we are pleased to announce PG Update 2010 in Clinical Cardiology from **19th March to 21st March 2010** at TICEL Bio Park Auditorium in Taramani, Chennai.

We look forward to your participation to ensure success in your chosen specialty.
